

# GAS HEATING PROTECTION PLANS

## The comfort of being well-protected.

Regular care and maintenance is important on any major home appliance, especially your heating system. Our heating protection plans will help you save money on costly repairs from unmaintained equipment, reduce the likelihood of equipment breakdown and extend the lifetime of your equipment.

### **PREFERRED PROTECTION PLAN**

To keep your heating system running at peak efficiency, we start with our 13-point precision tune-up.

- 1 Clean heat exchanger
- 2 Inspect and clean combustion chamber
- 3 Clean and inspect flue pipe/venting system
- 4 Clean burner wheel
- 5 Clean and flush condensate drain and trap
- 6 Check for leaks
- 7 Check burner and circulator motors
- 8 Check flame, rod and ignitor
- 9 Check calibration of all operating controls
- 10 Check all burner safety controls
- 11 Test gas pressure
- 12 Replace standard 1" air filters or wash electronic air cells
- 13 Conduct full combustion and efficiency test and provide test documentation

In addition, our preferred protection plan members receive:

- 15%** off all repairs
- 24/7** emergency service
- 2-hour** response window
- \$25** Loyalty Credits

### **ADD ON: HOT WATER HEATER COVERAGE**

All of our products and home solutions come with one simple thing in mind...

# YOU FIRST.

ENERGY & HOME SOLUTIONS

# TERMS & CONDITIONS

- a. Gault is not responsible for the discovery or removal of asbestos or other hazardous materials
- b. Protection Plans are for residential heating systems only
- c. It is the homeowner's responsibility to contact Gault at the time they receive or renew their Plan to set up the tune-up appointment. Gault will not credit or prorate any tune-up not conducted
- d. This Plan does not cover underground or above ground gas lines
- e. Concealed or buried parts, pipes, and wiring are not covered
- f. This Plan does not cover frozen gas lines
- g. Anti-freeze is a deterrent to prevent heating pipes from freezing, but is not a guaranteed preventative measure. There is no coverage to replace or replenish antifreeze in the system, nor the repairs of damage to the heating system, pipes, baseboards, radiators, or hydro coils
- h. This Plan does not cover parts or labor required as a result of acts of God, fire damage, flooding, damage due to frozen pipes or water, fuel run-outs, failure to check water level of boiler, low water cut off, power failure, and flushing of the system. Gault will not be liable for damages that occur from lack of heat due to negligence by the owner or owner's agent from not properly checking an occupied or unoccupied property
- i. There shall be no liability for any reason on the part of Gault for work done by another party, unless such party is authorized in writing by Gault to perform such work
- j. Gault reserves the right to modify this Plan as to price or other terms and conditions effective on the anniversary date. **The length of this Plan is one year and will automatically be renewed at that time unless we are notified of cancellation in writing 30 days prior**
- k. Gault reserves the right to inspect the heating system for eligibility prior to issuing or renewing the Plan. Gault may void this Plan at any time due to age, location, or overall condition of the heating system
- l. This Plan does not cover the repair or replacement of obsolete parts that are not available for regular supply sources
- m. Work performed on non covered parts will be billed at prevailing repair rates
- n. Payment is due at the completion of a service or maintenance appointment for any billable repairs.
