

GENERATOR PROTECTION PLAN

FOR AUTOMATIC STANDBY LIQUID-COOLED GENERATORS

Regular care and maintenance is important on any major home appliance, especially your standby generator. Our generator protection plan will help you save money on costly repairs from unmaintained equipment, reduce the likelihood of breakdown and extend the lifetime of your generator.

PREFERRED PROTECTION PLAN

We'll visit once a year to provide our comprehensive 20-point service on your liquid-cooled generator.

- 1 Inspection of fuel lines and connections
- 2 Inspection of flexible fuel lines
- 3 Inspection and cleaning of battery
- 4 Corrosion removal of battery terminals
- 5 Check battery voltage to verify that it's charging properly
- 6 Inspection and replacement of air cleaner (if necessary)
- 7 Inspection of oil level
- 8 Oil replacement
- 9 Oil filter replacement
- 10 Inspection and replacement of spark plug(s) (if necessary)
- 11 Load test battery with tester
- 12 Inspection of electrical connection box
- 13 Inspection of entire electrical system & transfer switch
- 14 Operation test
- 15 Inspection for vibration, noise, leakage, temperature
- 16 Inspection and cleaning of enclosure louvers
- 17 Inspection of cooling system, hoses, and belts
- 18 Inspection of coolant level
- 19 Inspection and replacement of distributor cap and rotor (if necessary)
- 20 Inspection and replacement of plugs, plug coils, and plug wires (if necessary)

TERMS & CONDITIONS

- a. Gault is not responsible for the discovery or removal of asbestos or other hazardous materials
- b. It is the homeowner's responsibility to contact Gault at the time they receive or renew their contract to set up the maintenance appointment. Gault will not credit or prorate any maintenance not conducted
- c. Protection Plans are for residential generators only
- d. Concealed or buried parts, pipes, and wiring are not covered
- e. This Plan does not cover parts or labor required as a result of acts of God, fire damage, flooding, damage due to frozen pipes or water, fuel run-outs, and power failure. Gault will not be liable for care due to negligence by the owner or owner's agent from not properly checking an occupied or unoccupied property
- f. There shall be no liability for any reason on the part of Gault for work done by another party, unless such party is authorized in writing by Gault to perform such work
- g. Gault reserves the right to modify this Plan as to price or other terms and conditions effective on the anniversary date. **The length of this Plan is one year and will automatically be renewed at that time unless we are notified of cancellation in writing 30 days prior.**
- h. This Plan does not cover the repair or replacement of obsolete parts that are not available for regular supply sources
- i. Work performed on non covered parts will be billed at prevailing repair rates
- j. Payment is due at the completion of a service or maintenance appointment for any billable repairs.
